OUR BEERS

SML LRG

TUNNEL 10 lager <i>IBU 18, ABV 4.2%</i> <i>A light bodied, refreshing, clean lager with a subtle, grassy spicy hop note and</i>	6.0	9.0
--	-----	-----

During construction of the Cairns - Karunda rail in 1910, a landslide downed Tunnel 10 and the supply of ale. With beer as motivation, workers rolled barrels of brew around a mountain to ensure cheer was served.

THE PROSPECTOR pilsner <i>IBU 17, ABV 4.5%</i> <i>A Bohemian style Pilsner with biscuity, bready, malt flavour, and subtle floral and lime aroma with a prominent bitter finish.</i>	6.5	9.5
---	-----	-----

James Mulligan was the first to find gold in Palmer River. It was because of his thirst for adventure and tireless efforts that Port came to be. His story inspired the brew you hold.

MR WONG hefeweizen <i>IBU 8, ABV 5.2%</i> <i>A traditionally styled Hefeweizen with clove and banana aroma, medium body, low bitterness and a tart, spritzly character.</i>	6.5	9.0
--	-----	-----

Surprisingly to many, it was the Chinese who first introduced bananas into Australia. Workers Mr Wong left the goldfields for another kind gold, the banana, establishing plantations in the 1800s around Far North Queensland.

7th HEAVEN tropical ale <i>IBU 25, ABV 4.5%</i> <i>Aromas of pineapple and juicy citrus. Easy drinking with low bitterness levels and a bright finish. A refreshing and sessionable beer.</i>	6.5	9.5
--	-----	-----

Visiting FNQ, you soon discover why many come for a getaway, and a good many never go home. It's a feeling that can't be explained on the back of a beer, and yet we've somehow managed capture it in one.

heaps normal alcohol free xpa 9

CANE CUTTER mid-strength lager <i>IBU 16, ABV 3.5%</i> <i>Clean, citrus flavours on the palate with light Tropical passionfruit and watermelon aromas.</i>	5.0	7.0
---	-----	-----

Post WW2 an influx of immigrants found work on sugarcane farms. They worked in the sweltering sun stopping only for a quick slug of water, Strengthening an industry that FNQ was built on. Cheers to the unnamed canecutters of our region

PITCHFORK BETTY'S pale ale <i>IBU 35, ABV 5.1%</i> <i>A flavourful Pale Ale with biscuity and caramel sweetness balanced by a hearty bitterness and distinct citrusy and tropical fruit hop aroma.</i>	6.5	9.5
---	-----	-----

She ruled a local watering hole not with an iron fist but with her trusted and slightly rusted pitchfork. A staunch defender of the good times and good life in Port Douglas, she has inspired the beer you hold in your hand.

DOUG'S COURAGE xpa <i>IBU 41, ABV 5.6%</i> <i>A full bodied and flavoured XPA with intense citrus and resinous hop bitterness and aroma complimented by a toffee and caramel backbone.</i>	6.5	9.5
---	-----	-----

March 16, 1911 - the day Port Douglas was levelled by the mother of all cyclones. Battered but hardly beaten, a band of courageous locals rebuilt to continue the story of the place we love.

CORAL CAY west coast ipa <i>IBU 65, ABV 6.5%</i> <i>Golden in colour with piney and fruity aromas. Clean, malt supporting a citrusy and resinous hop flavour bridging into a true West Coast style bitterness.</i>	8.0	11.0
---	-----	------

The historic lighthouse on Low Isles, built in 1878, stands tall on the idyllic setting. The beauty of this coral formed island and the surrounding waters makes this a Port Douglas locals favourite.

two bays gluten free pale ale 11
