LOCATION, LOCATION, LOCATION

Hemingway's Cairns Wharf is a state-of-the-art craft brewery and gastro-pub providing a truly versatile and world-class event space located within the Heritage-listed Shed 2 of Cairns Cruise Liner Terminal. Situated along side Cairns' picturesque waterfront, overlooking Trinity Inlet and surrounded by the oldest, continuously surviving rainforest on Earth, Hemingway's Brewery Cairns Wharf provides something for everyone. Hemingway's Brewery Cairns Wharf is not only located within nature's playground but is within walking distance to the Cairns Convention Centre, city center hotels, restaurants and shopping.

THE SPACES

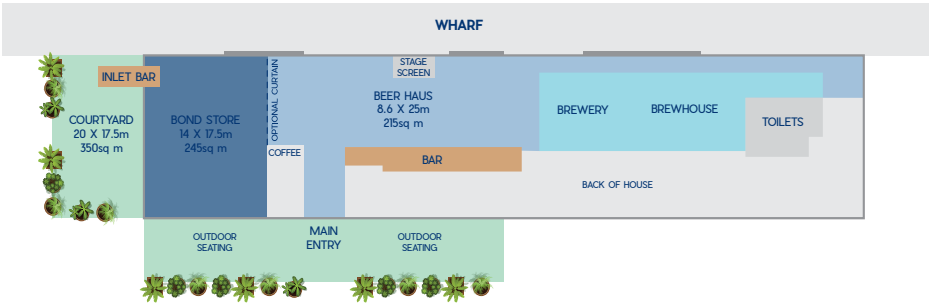

Hemingway’s Brewery integrates cutting-edge design whilst retaining the building’s original features dating back to the early 1900s. In the relatively short time it has been operating, it has earned iconic status in the city-scape for its welcoming atmosphere, picturesque water views and quality food and beverage. From an event perspective, Hemingway’s Brewery lends itself to any number of occasions and variations from intimate cocktail soirees to exclusive large-scale buyouts. Notably, there is no venue hire fee. Instead, work with the Event team to reach an agreed upon minimum food and beverage expenditure.
